Commentary on the results for the year ended 30 June 2007

Significant transformation of Gage Roads Brewing Co Limited ("Company") occurred during the 2007 financial year. The Company changed from a proprietary limited company to a public unlisted company in September 2006, and to a publicly listed company in December 2006. A national distribution agreement for packaged beer commenced with the Hardy Wine Company in August 2006.

To gain maximum leverage from the distribution agreement, an experienced fast-moving consumer goods marketing executive was recruited in September 2006 as national marketing manager for Gage Roads. The initial national marketing campaign included significant activity in the Eastern States. Sponsorship, promotions and print advertising campaigns, locally and nationally, resulted in growing consumer awareness of Gage Roads' premium beer.

Gage Roads was named Western Australia's "Top Emerging Brand" for 2007 in WA Business News' annual brand survey in July 2007.

At corporate level, Michael Perrott was appointed to the Board of Directors in October 2006 as an independent, non-executive director. Michael has extensive public company experience, including directorships on several listed public companies, and is Chairman of the Board. Paul McKenzie remains a non-executive director of the Company.

The Company lodged a prospectus for an Initial Public Offering (IPO) of shares in November 2006. The offer closed oversubscribed and the Company successfully applied for quotation on the official list of the Australian Stock Exchange. Shares began trading on the ASX on 13th December 2006.

The IPO raised \$4 million, which combined with pre-IPO cash reserves, was applied in accordance with the objectives outlined in the prospectus. The Company held cash reserves of \$2.5 million at 30 June 2007.

The strategic focus of the Company remains the long-term positioning of a portfolio of craft brewed brands in the Australian premium beer market to generate strong cash flows and increase shareholder value.

Sales Highlights FY07:

- Carton sales up 115%
- Revenue \$2.1m, up 82%
- Distribution outlets (bottles), up more than 300%
- Distribution outlets (draught), up 50%

The Company has achieved solid growth in packaged beer sales and the number of retail stockists as a result of the distribution agreement with the Hardy Wine Company. The Hardy Wine Company and Gage Roads have established a sound working relationship, and the number of retail outlets has increased by more than 300%. To further develop sales momentum, Hardy Wine Company has recently appointed an internal brand manager to drive the growth of Gage Roads' brands.

Gage Roads is now available nationwide through more than 1800 outlets including national liquor chains and independent bottle shops, including major retailers Coles and Woolworths, in five states.

The expanded distribution platform achieved a 115% increase in carton sales and an 82% increase in revenue to \$2.1m for the financial year.

In addition, over the past few months the Company has increased the number of draught tap points in WA by more than 50%. The Company is committed to an increased draught presence in WA and is currently developing a distribution platform to expand draught beer sales in the Eastern States.

Commentary on the results for the year ended 30 June 2007

Financially, investment in new product development, market support and brand building resulted in a net loss after tax of (\$3,071,324) for the financial year. The result includes a non-cash expense of \$655,992 in accordance with AIFRS guidelines relating to the residual expensing of directors' options issued December 2003 which were exercised during the period (\$505,058) and the expensing of directors' and draught program options attributable to the period (\$150,934). The net loss after tax for the year after income tax and before this non cash adjustment was (\$2,415,332).

The result is in line with the Board's expectations and consistent with the long term strategy of building a portfolio of premium Australian beer brands. The Company is now well positioned to capitalise on the distribution platform achieved in conjunction with Hardy Wine Company. Over the coming year, the Company will allocate further resources towards the execution of a new national brand building campaign to increase sales across the expanded retail base.

During the past year Gage Roads won numerous awards for each of its three beers at the Perth Royal Beer Show, the Sydney Royal Fine Food Show, and the Australian International Beer Awards (AIBA). At the AIBA, Gage Roads won medals for every exhibit entered including packaging awards for our innovative three-packs. In addition, Gage Roads IPA won the trophy for Best Draught Ale and Gage Roads PILS won trophies for Best Draught Midstrength and Best Bottled Midstrength.

New product launches are scheduled for the coming year as part of the "Gage Roads World Tour". A range of specialty limited release beers will commence sales in September 2007 in bottles and draught.

There was no dividend paid or declared during financial year 2007.
