Dear Ms Harris,

RESPONSE TO QUERIES

We refer to your letter dated 13 May 2009 regarding the quarterly report of Gage Roads Brewing Co Limited (**Company**) for the period ending 31 March 2009. Please find below the Company's responses to ASX's as set out in that letter:

1. Is it possible to conclude on the basis of the information provided that if the Company were to continue to expend cash at the rate for the quarter indicated by the Appendix 4C, the Company may not have sufficient cash to fund its activities? Is this the case, or are there other factors that should be taken into account in accessing the Company's position?

The Company refers to its ASX announcement of 15 May 2009 regarding the agreement with Woolworths Limited pursuant to which Woolworths has agreed, subject to the satisfaction of certain conditions, to:

- (a) *subscribe for 76,410,890 fully paid ordinary shares in the Company at a maximum issue price of 2.5 cents per share to raise a minimum of \$1,237,856.42 and up to an additional \$672,415 if certain taxation conditions are satisfied; and*
- (b) *purchase a minimum of 350,000 cases of beer per annum from the Company.*

On this basis, the Company considers that it will have sufficient cash to fund its future activities upon the completion of this agreement. The Company is not aware of any reason why this agreement would not become unconditional.

2. Does the Company expect that in the future it will have negative operating cash flows similar to that reported in the Appendix 4C for the quarter and, if so, what steps has it taken to ensure that it has sufficient funds in order to continue its operations at that rate?
