McLAREN VALE BEER COMPANY SIGNS CONTRACT BREWING AGREEMENT

The Company is pleased to announce that it has executed an exclusive brewing agreement today with a new customer, McLaren Vale Beer Company.

McLaren Vale Beer Company is an established craft brewer situated in McLaren Vale South Australia, and has a range of nationally distributed products including Vale Ale and Vale IPA.

Gage Roads will commence production for McLaren Vale Beer Company in March 2013.

The addition of this new customer follows the announcement last week of the execution of agreements with the Australian marketing division of San Miguel Yamamura Packaging Corporation and Duckstein Brewery Margaret River.

We welcome the McLaren Vale Beer Company contract as an additional step towards fulfilling the expanding production capacity of our plant and positioning Gage Roads as the leading contract craft brewer in Australia.
