Gage Roads extends ANZ credit facility to October 2015

The Company is pleased to announce that it has today extended the term of its existing credit facility of \$5.7m with the ANZ by 12 months to 1 October 2015.

This facility is secured by Company assets and a guarantee from Woolworths Limited. There have been no changes to the terms and conditions of the loan other than the termination date as discussed above.

Although this extension sees the facility's term extended beyond 12 months from 31 December 2013, Australian Accounting Standards require the facility to be classified as a current liability for the upcoming Half-Year Financial Report as the extension was not in place at that time. This facility will again become a non-current liability for the 30 June 2014 Financial Report.

The Company expects to release its 31 December 2013 Half-Year Financial Report on 28 February 2014.
