CREDIT FACILITY INCREASE SECURED

The Company is pleased to announce that the credit facility increase contemplated in the announcement dated 30 June 2014 has been executed.

The agreement with the ANZ Banking Group Limited increases the limit of the current \$5.7m credit facility by \$4m to \$9.7m. The facility is secured by first recourse to Company assets and then by a guarantee from Woolworths Limited. The facility and corresponding guarantee expire on 1 October 2015. There have been no changes to the terms and conditions of the credit facility other than the increased limit as discussed above.

The proceeds from the increased facility will be used to support the Company's working capital requirements and to provide funding for future capital expansion projects.
