Gage Roads extends ANZ credit facility to October 2016

The Company is pleased to announce that it has today extended the term of its existing credit facility of \$9.7m with the ANZ by 13 months to 31 October 2016.

This facility is secured by first recourse to Company assets and then by a guarantee from Woolworths Limited.

Although this extension sees the facility's term extended beyond 12 months from 31 December 2014, Australian Accounting Standards require the facility to be classified as a current liability for the upcoming Half-Year Financial Report as the extension was not in place at that time. This facility will again become a non-current liability for the 30 June 2015 Financial Report.

The Company expects to release its 31 December 2014 Half-Year Financial Report on 27 February 2015.
