### SUCCESSFUL BEER TENDER - PINNACLE DRINKS

Gage Roads Brewing Co Ltd (**ASX: GRB**) is pleased to announce to the market that it has been awarded the tender to continue to produce a number of exclusive brands for Pinnacle Drinks for an additional three years. The Company's existing contract ends on 30 June 2019 and the new term under this contract will commence on 1 July 2019 through to the end of FY22 subject to the completion of formal documentation.

The contract covers a number of exclusive brands that the Company is currently producing for Pinnacle Drinks. While the new contract does not contain any minimum volume commitments, the volume expectations outlined in the tender are anticipated to be up to 460,000 cases per annum (3.6 million Litres).

This contract is in keeping with the 5-year proprietary brand strategy and the volumes awarded under this tender are directly aligned with the Company's vision for FY20, FY21 and FY22.

Managing Director John Hoedemaker said the tender win was testament to the quality of products the Company continues to produce. "Gage Roads has a long and successful partnership with Pinnacle Drinks and being awarded the tender for these products is a confirmation of the quality of products we produce and the capabilities we demonstrate as an organisation.

"We look forward to continue to work with Pinnacle Drinks to deliver high quality products to consumers throughout Australia."
